Summary

I am an enthusiastic Frontend Developer proficient in HTML, CSS, and JavaScript, specializing in React, React Native and Next.js. I am passionate about crafting intuitive user interfaces and staying updated with industry trends. I am also eager to contribute innovative solutions to frontend development projects.

Experience

Splendid Academy

Lagos, Nigeria

Coding Instructor

02/2023 - 07/2023

- I guided aspiring frontend developers at a coding academy, providing personalized guidance and support in mastering HTML, CSS, and JavaScript.
- I facilitated interactive coding sessions and code reviews, fostering a collaborative learning environment and empowering my students to build impactful web projects.

Codeweb Project Solutions

Lagos, Nigeria

Frontend Developer

09/2023 - Present

- I contribute to frontend development projects as part of a dynamic internship team, gaining real-life experience in frontend development.
- I led the development of multiple web application projects for the frontend team, while also providing guidance and support to fellow frontend interns.
- I built a dashboard and collaboration application solely for my team's usage.
- Technologies Used: React.js, React Native, JavaScript, Tailwind CSS, Bootstrap, Git and Github

Dca

Remote

Frontend Developer

03/2024 - 04/2024

- I collaborated with a team of developers to create a cutting-edge frontend project for a coding institute, implementing responsive design for hundreds of users using HTML, CSS, and JavaScript.
- I contributed to the design and implementation of innovative features, ensuring a smooth user experience and delivering high-quality applications tailored to client specifications.
